

## **MEMORNADUM**

February 28, 06

**TO:** ACYCP Board Members and committed Child and Youth Care Professionals

**FROM:** ACYCP Mattingly Scholarship Committee

**RE:** Opportunity to contribute to the Mattingly Scholarship fund

Martha Mattingly has been instrumental in child and youth care's professional development. She has made multiple contributions including competencies, ethics, and moving toward national certification. Martha has been a valuable ACYCP Executive Board member, has made extensive significant conference presentations, and has shared her expertise at the international level, notable in the development of FICE Code of Ethics. Martha has formally retired from her position at the University of Pittsburgh. She reminds us that she is not gone and will continue to work with ACYCP.

During a tribute to Martha during our November Board meeting, we launched a Mattingly scholarship in her honor. The purpose of the scholarship is to support entering or early career professionals through scholarship for participating in a national or an international conference. Those who know Martha or of her contributions have an opportunity to contribute to the Mattingly Scholarship fund. (See our ACYCP web-site for information and application) Any amount of money from individuals, state organizations, or agencies or programs is welcomed. Please consider honoring Martha and supporting an entering or early career professional becoming involved in our conferences. The Texas Academy of Child and Youth Care has graciously agreed to handle scholarship donations and send letters to contributors to be used for tax purposes. Please send checks make out to
