CELEBRATING A PIONEER IN OUR PROFESSION:

THE LEGACY OF DR. MARTHA MATTINGLY

TEACHING AND MENTORING

- Martha was deeply committed to her students for over 50 years
- She mentored many of the current US leaders in the CYC profession.

PROFESSIONAL LEGACY

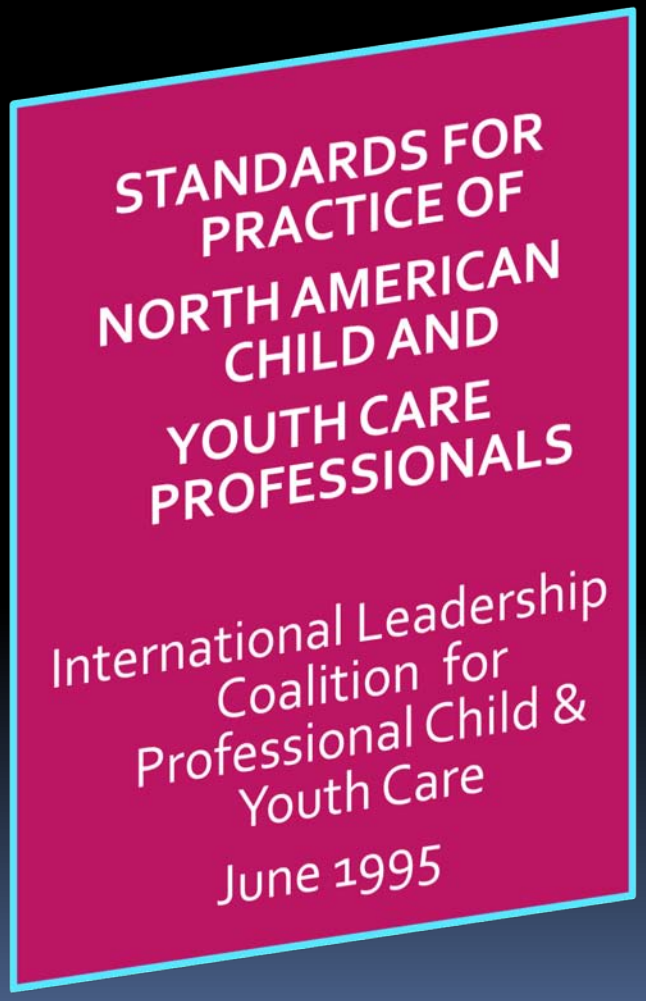
Professional association boards:

- Pennsylvania Association of Child Care Workers
- National Organization of Child Care Worker Associations
- Association for Child and Youth Care Practice

PROFESSIONAL LEGACY

Created ethics codes that were adopted by:

- Association for Child and Youth Care Practice (ACYCP) & Canadian Council of Child and Youth Care Associations
- International Federation of Educative Communities (FICE)
- Authored an ethics course that has trained over 4000 practitioners in the process of 'doing ethics'.



PROFESSIONAL LEGACY

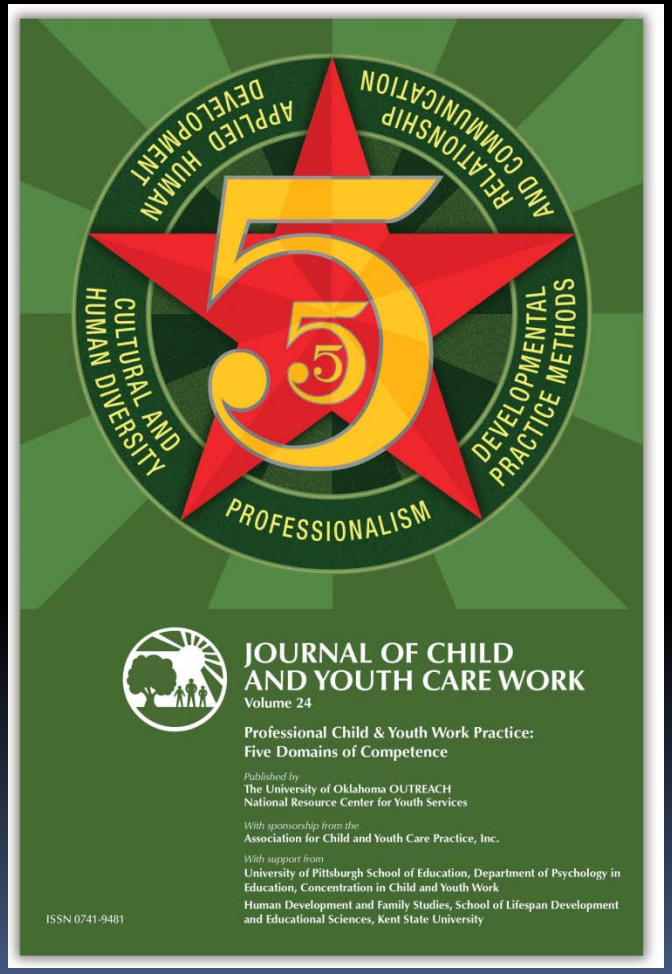
Chaired a Workgroup that completed an analysis of 87 competency sources to create:

- Unified definition of the CYC Field of Practice
- Taxonomy of CYC competency domains that span all major practice settings & describe fully competent practice

PROFESSIONAL LEGACY

Served on the North American Certification Project

- Assessment Committee – designed the CYC-P exam and assessment system
- Concurrent Planning Committee – integrated 10 years of work into the national certification program & helped with pilot testing in 9 states & 2 Canadian provinces
- CYCCB Advisory Committee - reviewed portfolios and provided guidance to the emerging credentialing system.



AWARDING OF THE 2013 MARTHA MATTINGLY SCHOLARSHIPS

Martha Mattingly Scholarship Fund

- Your donations allow the Fund to support entering professionals and future leaders.
- HELP US HELP
- To donate: www.cyccb.org/support

Donations are tax deductable in the US (and some other countries).

Martha would remind us that, ultimately:

We are not judged for how long it took, but for how well the work was done….

Each of us makes a difference…how much of a difference is entirely up to us.

… a sense of humor can be your best friend…
